

Do not cave in to this business lobby and change wisconsin's no-call policy. We fought hard to keep our evenings free from constant harrassing phone calls by unsolicited businesses. If I want information from a business I will ask for it. I DO NOT want to go back to the days of unwanted phone solicitations. Do not change this rule! Folks in Wisconsin have made it very clear they wanted and like our no-call policy. If folks want these calls they chose not to be on the no-call list. How dare you tell us what we really want when we worked long and hard to get the current policy in place.
